

To whom it may concern,

My children have been in Mariam Karamanukyan's classroom for about 7 years now. All three of my children's education is very important to me, and I am very grateful that Mrs. Mariam has been their teacher. She has fulfilled all what is important to be taught in a daycare. She taught them to be kind, loving, caring, and sharing with all other students. She has given them warmth and comfort, when needed and respected my feelings and rights as a parent. Mrs. Mariam is a wonderful Teacher, Administrator and Caregiver.

Respectfully,

Tedmar Habash
